

NEW Referral Program!

We are so thankful to have such wonderful customers! We are also thankful that they share their positive comments about All Occasions with their friends and colleagues! As a way of saying thanks, we would like to offer this new referral program.

If the person you refer to All Occasions Catering schedules an event for 25 people...we give you \$25 credit on your next event! Just think - when your friend schedules an event with us for 250 people (\$250 credit), you can plan an event for you and yours using your catering credit.

Sharing is caring, and when you share we take care of YOU!
